handlers. Riders get to experience the thrill of riding a horse with none of the risks. Our riding lessons begin with this same experience.

Petting Zoo: We breed them here so there are always adorable babies that our students can hold in their arms (if they want to, we never make a child feel pressure to engage in any activity that they are afraid to - just the opposite - many children leave having overcome fears that they have held all their short lives). We have ducks, chick, rabbits, sheep, goats, pot bellied pigs and more. All animals are safe, friendly and pettable.

StoryTelling: [Calvin Sims](#) is an internationally acclaimed [author](#), lecturer and Master StoryTeller. His stories are recognized for their relevance to character and integrity. All stories are true, exciting and fun. The stories of the old west are packed with little known history. The objective of these stories are to encourage children to read. Adults report that they enjoy the stories as much as the children. Perhaps that is why Calvin is popular in educational institutions from pre-school to post graduate schools around the world.

Frontier Games: Such as 3 Legged Race, Tug-O-War, Sack Race, Egg-N-Spoon Race, Saltine-Cracker-Whistler-Race, Ooey-Goey and more. Don't be surprised if you never heard of these games, just ask your grandparents. The are the games that were played on farms and ranches over a hundred years ago. These games are fun, safe and can be played by anyone regardless of physique.

Optional Campfire Cafe: Bring along a sack lunch or dine with us. The Campfire Cafe features meals cooked on an open fire, just as our ancestors prepared their meals on the range. Meals are delicious and expertly prepared to the exacting standards of real cowboys and cowgirls. Choose from our standard menu of Hotdog's and Nacho's or we can roast a whole pig or goat. Whatever your taste, we can put it together at the Campfire Cafe.

Optional Crafts Activity: Commemorate your special Day at the RAnch with a precious memento. We have craft kits starting at just \$3.50 and up depending on the craft. These kits are fun to assemble with the help, if needed, of our trained staff. The result is a beautiful artifact that will further preserve the memory of an unforgettable
